The start will be on the open field to the right of the Stadium. **It is not advised for spectators to go to the start area**. If you do, you will not be able to get direct access back to the Stadium field or bleachers. All GOTR girls and coaches will have #1 bibs. Each team will be assigned the same start time. The waves are staggered by two (2) minutes. **The teams will be grouped in the Team Village by the color of their bibs. Flag bearers with flags the same color as the bibs will lead each group, one at a time into the start line area.**

A: Yes. The handicapped parking area will be in the Hoff parking lot, with additional designated handicapped parking stalls in the other parking lots.

**Q: Is there an area to drop off my equipment for my team?**

A: Yes. Look for the "Temporary Coach Loading / Unloading" sign at the entrance to the Hoff parking lot. Coaches will be allowed to access this lot to drop off equipment at the entrance to Spartan Stadium.

## **GENERAL**

**Q: I am concerned about my daughter's safety when I can't see her on the course.**

A: We have many volunteers in red shirts spread throughout the course. Over 200 volunteers for the entire event. There are radios at each checkpoint that are able to communicate with key safety personnel at all times. Your daughter will be in sight of a volunteer at all times.

**Q: Can I jump in at the finish to cross with my daughter?**

A: Please keep the finish area clear so that all the girls can finish the run. You can certainly have a photo opp with your daughter once she has crossed the finish line and exited the chute area. Only registered participants with bibs are allowed on the course for liability reasons.

**Q: Will there be photographers at the event and can I purchase pictures from the event?**

A: Girls on the Run Vermont will have photographers to capture the event. Photos will not be for sale but can be viewed on the website 10-14 days after the event.

**Q: My daughter lost her program shirt, can I get another one?**

A: We have a small surplus of shirts left, if we have one in your daughter's size you can pick it up from the coach at the event.

**Q: Will there be vendors/food at the event?**

A: No. A snack will be provided at the finish line for all participants. Feel free to bring your own.

**Q: How long does the event take from start to finish?**

A: The last runner usually finishes within an hour and a half of the start time. Start time is at 10am. Girls are asked to arrive between 8:30 - 8:45am. Activities start at 8:30am. Including exiting of the event, plan to wrap up by noon.

**Q: What happens after the 5k? Are there festivities?**

A: No, there are no festivities after the event. We ask that all members of the team stay after crossing the finish line to cheer on their teammates until everyone has finished. All festivities happen pre-event with face painting, Happy Hair station, temporary tattoos, music and dancing with an inspiring group warm up before moving to the start line.

**Q: Does my daughter have to run with her team?**

A: No, she will prepare for the event with her team, line up at the start with her team (as assigned) and then each girl is encouraged to run/walk the 5k at their own pace. It is always good to pair her with a friend that is of similar ability as a buddy on the course.

**Q: Where is my daughter's team supposed to meet their coach?**

A: There is a designated area for all sites to meet up with their team. There will be a sign with your sites name on it where their coach will wait for them. The team village area is located on the Spartan Stadium football field.

**Q: I don't want my daughter photographed at the event.**

A: Notify our Program Manager, Rachel Desautels. She will need your daughter's name and the location of the program she participates with. We will ask that your daughter clearly wears something distinguishing that day so that we can do our best to identify her in the hundreds of photos that are taken at the event. We will do our best in monitoring our photos but we have no control of spectators or other attendees at the event taking photos.

**Q: Do we really need to be there for 8:30am? The event doesn't start until 10am.**

A: You should plan to arrive no later than 8:45am. You will need to park and walk to the event site. Girls need time to find their team, get their bib and name tag, join in on the face painting, temporary tattoos, have their hair colored (if they choose), enjoy the music, make a last trip to the restroom and get warmed up.
